

## **2024 SCHOLARSHIP AWARDS**

With challenges due to personnel and health, the committee responded to applications received by the March 1 deadline. Committee members are Lise Van Brunt, Interim Chair, Omega/2; Nikii Murtaugh, Iota/1; Julie Voelker Morris, Lambda/3.

Scholarship Awards for 2024 are:

**Vickie Jackson**, Sigma/3, will receive a Personal Enrichment Commemorative Scholarship.

**Wendy Hacke**, Beta Beta/5, will receive a Personal Enrichment Commemorative Scholarship.

Vickie and Wendy are both using their funds to attend the DKG International Conference this summer.

**Emily Tarbell**, Alpha Epsilon/5, will receive a Personal Enrichment Commemorative. It will help her go with a group of adults and students from her school community who will be traveling to Kawagoe City in Japan. It is a great honor for Emily to be going as a teaching representative for her school. There is already a connection between Emily's chapter and this city through the Sister City program. They have been considering how to help establish a DKG Chapter in Kawagoe City.

**Melanie Mobley**, Psi/5 applied for the Isabelle Houston Scholarship. She has been very active in her community and her schools as both teacher and administrator. She recently decided to return to the classroom as a teacher and is pursuing an endorsement as a Reading Specialist. She is eager to use the knowledge to help her students become successful readers. Melanie will receive an Isabelle Houston Scholarship.
