Educational Excellence Committee

(From DKG International Website)

The EEC shall support programs of action that promote the personal well-being, intellectual growth, and global awareness of women educators; encourage a focus on the arts at international conventions, regional conferences and state organization conventions and develop strategies that will enable chapters to encourage members to become leaders.

International Projects:

Schools for Africa

Schools for Africa became the Society's first official international project in 2010.
Members have donated approximately $445,134.90 since the inception of the partnership with UNICEF USA.

Support for Early-career Educators
