

**PROJECT TOPIC:**

## Leadership

**1 PROBLEM OF PRACTICE**—Create a problem of practice statement below that clearly identifies a current need.

Members are not engaging in leadership roles at both the chapter and state levels

**3 THEORY OF ACTION**—Create an *If...Then* statement below that describes how you will tackle your problem of practice and what it will mean for students.

If current and/or past leaders mentor prospective leaders then more members would accept leadership roles.

**2 GO DEEP!** Analyze the challenge you are trying to solve by reflecting on the root causes.

1. **Discuss and identify.** Brainstorm causes of your problem.
2. **Share and organize.** Determine the top three causes of the problem.
3. **Revisit and finalize.** Revisit your problem statement, redefine it if necessary, and come up with your final statement.

- Cause 1: Time element working and retired
- Cause 2: Age of members older and younger
- Cause 3: Chapter dynamics, retention, ,recruiting, ,mentoring,
