History

History

The stakes are high. Every day, we wager the future of this country on our teachers. We are daily entrusting the dreams of our young people to those who teach them. Whether those dreams are delayed, denied, or fulfilled is ours to decide.

No Dream Denied

Program Goals

- Develop a robust pipeline of outstanding future educators
- Better educate all children
- Design and validate a clinical model for professional development of future educators

Program Goals

- Support professional development of both pre-service and in-service educators.
- Share data and other information in ways that allow for continuous improvement
- Seek external resources to support our work
- Understand one another in ways that maximize our ability to collaborate

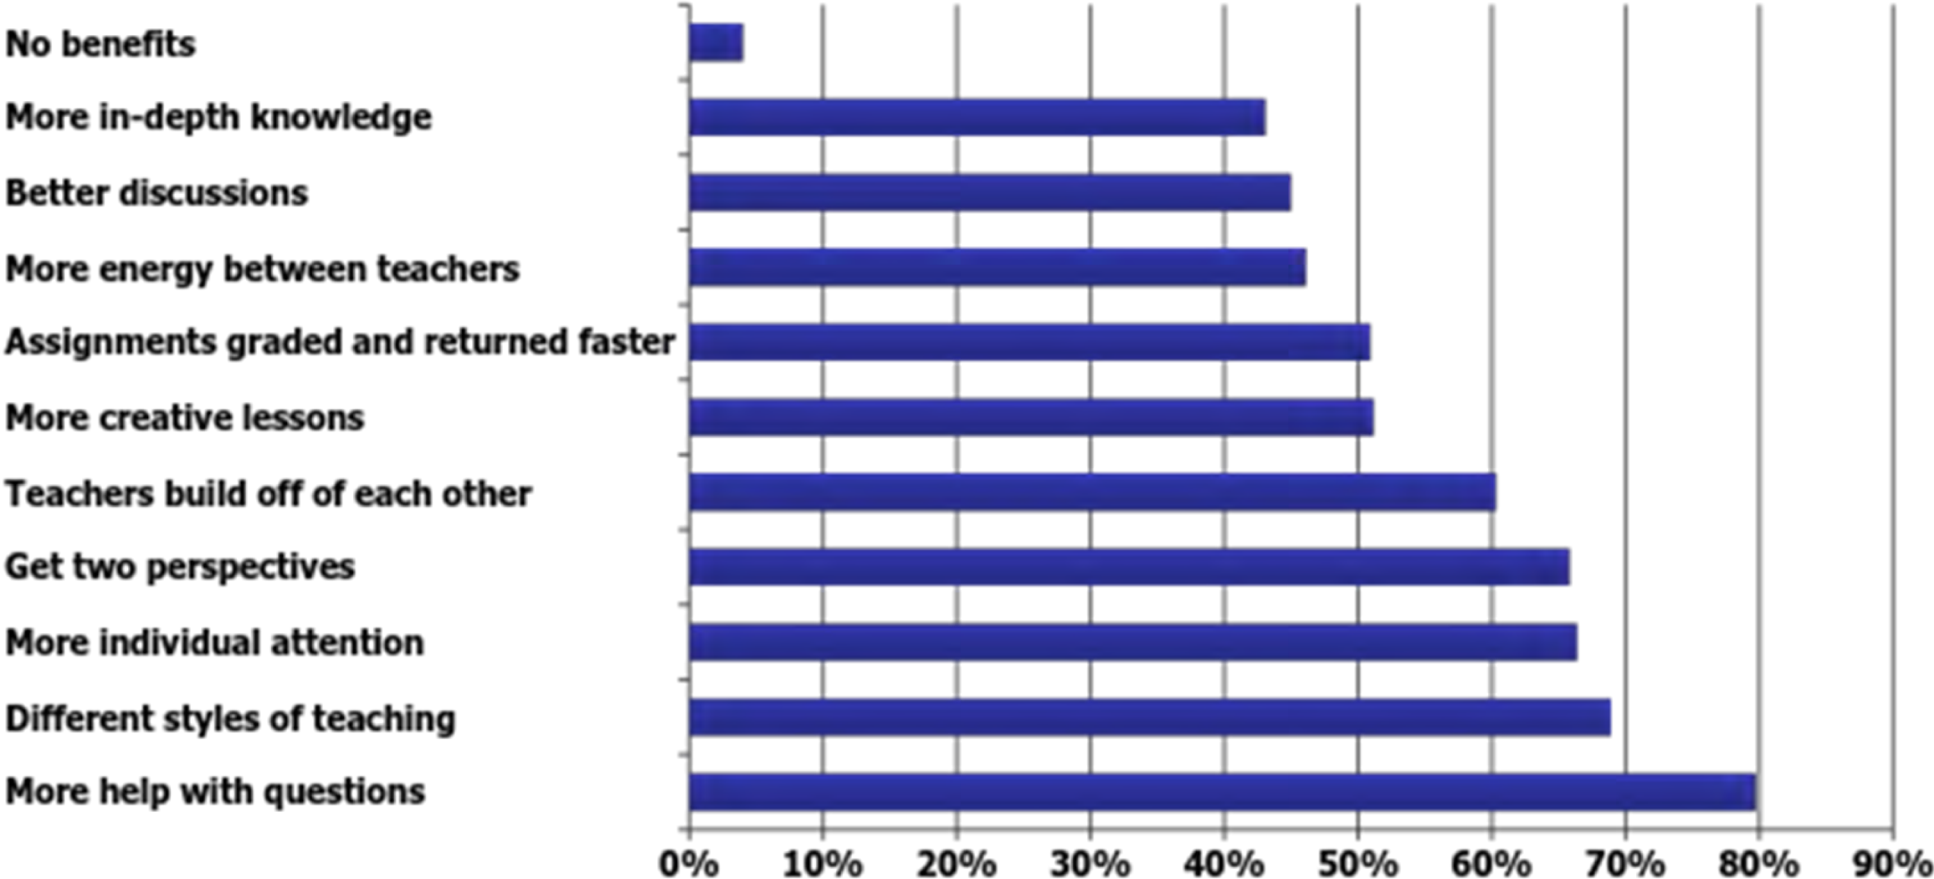

Clinical Practice

- Strategy 1: One Teach, One Observe
- Strategy 2: One Teach, One Assist
- Strategy 3: Station Teaching
- Strategy 4: Parallel Teaching
- Strategy 5: Supplemental Teaching
- Strategy 6: Differentiated Teaching
- Strategy 7: Team Teaching
