## BYLAWS & STANDING RULES UPDATE

Dear Members,

The state ByLaws/Standing Rules Committee has finished its work. We have reviewed the suggested changes that were passed in Austin, Texas, this summer and the changes that were sent to us by various members and committees in Oregon. We are now asking that you each take a few minutes to complete your responsibility as an Oregon DKG member. Please read the proposed changes that are printed in *The Oregon Trail* (page 19). You may want to talk them over in a chapter meeting. We then ask that you be prepared to vote on them at the state convention in Salem in April. A final printing of new documents should be completed by September. They will be available to the membership at that time.

*Jean Fairbairn, Committee Chair*

Dear Members

In the printed copy, you are reading a much reduced version of *The New Oregon Trail*. To keep printing costs down, 14 pages have been eliminated. To view and enjoy that content: (1) ask your chapter president to print a copy of the whole Trail for you, or (2) go online to **<https://dkgoregon.weebly.com/newsletters.html>** That link, typed into your browser, will take you to the current edition of the Trail. Give it a try! We have some good photos, lots of chapter news, and other articles of interest.

Marie, State Editor

PRESIDENT'S PAGE

*Kelly McIntyre, 2017 - 19 President Oregon State Organization*

Happy New Year once again, to each of you. Whether you celebrate the Gregorian calendar or the Chinese calendar, this is a time of renewal and goal setting, often called New Year's Resolutions. Perhaps the Chinese have a better handle on the time needed to accomplish this feat. In America, we typically celebrate the Gregorian calendar and celebrate for 2 days, if you count New Year's Eve. The Chinese celebrate for 12 days. This year they welcome in the Year of the Pig from February 5-16. Those born under this zodiac animal (1935, 1947, 1959, 1971, 1983, 1995, 2007) tend to be kind, peaceful, resilient, and generous--all wonderful traits for a DKG woman.

It is said that every 12 years, when a person's zodiac animal comes around, they are to reevaluate themselves to make sure they are conducting themselves in an appropriate manner in life. While I was not born in the Year of the Pig (I'm a Rabbit), at this time of year I do like to reflect on what I've done in the past year and where I want to go in the new year. Checking in on myself every 12 years just doesn't seem enough for me. I need constant checking!

**FORWARD  
MOVING EVER  
IN DKG!**

Together we can do this, helping each other, never alone.  
We are supported by sisters and by International Office.

Reflecting on myself also means reflecting on DKG. How far have we come and where are we going? Are we creating and inspiring leaders who will move us forward?

Life keeps us busy. This is true today as it was when Dr. Annie Webb Blanton was alive. Yet, today we have many technologies to help make life easier. So why are we still so busy? Why is it so often the same small number of dedicated people doing the work in almost all organizations? Wouldn't it be great to be a part of an organization where you didn't have to wear five hats because there were four other amazing women willing to wear one? I want to see that for Oregon, and right now we are not there.

We need a member from District 6 to fill a position on the Finance Committee and one from District 6 to fill a position on the Nominations Committee. We also need a member to fill the position of State Secretary. Several committees have just one or two members. Many positions do not require a lot of time, and each one is important to keeping Oregon moving forward in DKG. We need your help to keep Oregon strong and vibrant, just like the women who are Oregon DKG members!

As you reflect on this new year, think about what you can do for DKG.

At the Spring Convention in April, step up and be the leader we know you can be. After all, you are a Delta Kappa Gamma woman educator, the best of the best! Let's keep Oregon moving forward in DKG,

*Kelly*

**CHECK OUT THE NEW  
INTERNATIONAL  
CONFERENCES**

Each conference has a theme that represents one facet of leadership within the DKG Society. (This new approach replaces the former Regional Conferences.)

Members are welcome to attend any of the conferences. Select the topic that most interests you--or choose the location that offers something you would enjoy visiting.

Kelly is attending the Professional Research & Practices Conference in Reykjavik, Iceland, for two reasons: research is part of her doctoral work and she had always been interested in Iceland.

Where will you go? What will you learn this summer?

## DATA ON DUES

*Madaline Lapp, Oregon State Treasurer*

One of the major changes made at the International Convention in Austin last July was when dues are to be paid. Beginning in 2019, members must pay dues no later than June 30. This means that you will have to pay dues for the next year ahead of time, rather than after the fiscal year has already started. Members will be dropped if dues are not paid by October 1.

Your chapter treasurer will be collecting dues in May and June of 2019 for the 2019-2020 fiscal year, rather than in September and October.

Another change is that chapters may have collegiate members. They need to be upper division education majors and will pay reduced dues.

## HONORARY MEMBER DIES

On October 23, 2018, State Honorary Member **Mary Lou McCauley Burrows** passed away. Mary Lou lived in Eugene and was chosen as an honorary member of DKG in 1985. Adoring her family and caring deeply for others, Mary raised four children and dedicated her life to public service. After one year at Northwest Christian College, she became involved in public issues, leading her into a career in politics. She served as the secretary for the California Republican Assembly, acted as campaign chair for both Oregon Senator Bob Packwood (1967) and Governor Tom McCall (1970). She was a member of the Oregon House of Representatives from 1973-1987, repeatedly winning a highly democratic 4<sup>th</sup> District as a Republican. She was fearless to vote against her own party if she felt it the right thing for her district, which included the University of Oregon.

During her time as a state representative, Mary was one of few females serving in the legislature and helped pave the way for other women to serve in state politics. Her more notable platforms centered on women's rights, innovative recycling proposals, and tax relief initiatives. Mary also ran unsuccessfully for congress in Oregon in the early 1980s. Afterward, she was invited as a fellow to the John F. Kennedy School of Government at Harvard, one of her highest achievements and honors. In addition to many public services in local and state government, Mary served on the Eugene Symphony board of directors and the Eugene Opera board of directors.

**REMEMBERING  
BARBARA SCHWEPPE**

**Barbara Schweppe**, Lambda/3, died-Sept. 27 in Eugene. She had a lengthy service record with Delta Kappa Gamma, at local, state, and international levels. For this service, she received the Alpha Rho State “Service to the Society” award in 2010.

Initiated in 1971, Baarbara served on a variety of committees in Lambda, with expertise in chapter rules, finance, and scholarship. She was chapter president from 1980-82. At state, she was on the Finance Committee from 1983-87 and served as state treasurer until 1993. She was a member of the International Finance Committee from 1990-94., then returned to the state treasurer position from 1997-2001. Barbara chaired the State Membership Committee and served om the State Bylaws Committee. From 2005-7, she was the State Executive Secretary.

For Lambda, Barbara was the “go-to person” on Society questions and was a mentor to members. She initiated the coffee stop to raise funds for the chapter grant. From 2000-04, Barbara and her sister Judi took their RV to the rest area at Milepost 206 in I-5 one weekend each summer. Members took turns staying and providing hot coffee, and/or home-baked goodies, for weary travelers.

As health issues increased, Barbara cut back on DKG involvement, although she was a devoted member to the end. She supported chapter’s ac-

tivities, helping with the annual yard sale, contributing funds, and serving on committees as long as she could. Barbara will be remembered for her endless enthusiasm, her laughter, and her commitment to doing her best in all she undertook. She earned the title of “Energizer Bunny” while on the International Finance Committee, and after she passed, her sister appropriately explained, “The Energizer Bunny just ran out of energy.”

**INTERNATIONAL GUEST**

**Dr. Donna Niday  
NW Regional Director, Iowa**

Northwest Regional Director Dr. Donna Niday coordinates the English Education program at Iowa State University. She teaches young adult literature, English methods courses, and a graduate literature methods course, as well as supervising student teachers in Iowa and overseas in Norway. She is a co-author of three books about mentoring beginning teachers. Previously she taught middle school and high school English.

Her interests include reading and traveling. She has been involved in DKG for 30 years and has enjoyed seeing the organization grow and change. In DKG, she served as Iowa state president, as chair of the World Fellowship Committee, and as a member of the Leadership Development Committee. She is currently working on the International Convention on Leadership to be held in Des Moines in July. She was state president of the Iowa Council of Teachers of English and currently serves as the organization’s executive director.

Dr. Niday encourages all DKG members to actively participate in making the educational profession and DKG even stronger and more vibrant.

## MEET PATY GUAJARDO OREGON'S WORLD FELLOWSHIP RECIPIENT

*Brenda Kirk, Iota Chapter, Dst. 1*

Patricia (Paty) Fernandez Guajardo grew up in Monterrey, Nuevo Leon, Mexico. Her family still resides in Monterrey where her parents are retired, her brother is a priest in the Catholic Church, and her sister is a nun.

Paty (age 40) attended the University of Monterrey, earning a BA in Political Science. She continued her studies at Monterrey Technological Institute, earning a master's in Public Policy and Public Administration. For several years, she worked as a project manager for the Institute for Social Development, part of the same technological college.

Paty applied for and received a Fulbright scholarship to earn a doctorate in environmental policy. The Fulbright program suggested she complete her studies at Oregon State University. Fulbright also applied for the DKG World Fellowship Grant for Paty, which was awarded. Paty arrived in Corvallis in 2015. For two years she worked as a teaching assistant to an OSU professor, earning enough money to pay for the rest of her living expenses while also working on her dissertation *Sustainable Management of the Water, Energy, Food Nexus*. Paty's research involves connecting with various public entities, such as the Hood River irrigation board, to obtain data on how policies are determined.

Currently Paty teaches an online college course to 50 students. This semester's course is titled *Politics of Developing Countries*. Paty plans to defend her dissertation in either June or December 2019. She then plans to return to Mexico and apply for a university teaching position in her area of emphasis on environmental policies.

## THE LATEST INNOVATION IN EDUCATION --- 3 TO PhD

*Melanie Morris, Alpha Nu*

Last fall, five DKG members toured the Faubion (K-8) School in Northeast Portland. They were District 5 Coordinator **Kathy Martell**, Alpha Epsilon; **Priscilla Ing**, Lambda; **Peg Cowens**, Lambda; **Melanie Morris**, Alpha Nu; and **Alice Hartness-Reichle**, Alpha Phi. Faubion's innovative and all-encompassing program, 3 to PhD, began last year. It provides "wrap around" services for care, and educates children from their third trimester of life until the child finishes its highest goal for success. This integrated learning partnership, the first in the nation, is between Portland Public Schools, Concordia University, Kaiser Permanente, Trillium Family Services, and Basics, a food store. Concordia University is next door and has moved their entire Education Department, students and staff, into Faubion School. Concordia students have immediate access to hands-on experience in classrooms. They serve as reading tutors and mentor Faubion students. The Early Childhood Education Center includes Head Start, Preschool, Pre-K, and Native Montessori classes on-site.

Kaiser Permanente's Wellness Center provides primary care and dental services. Trillium Family Services provides mental and behavioral healthcare for children and families. Basics provides access to nutritious foods. In keeping with innovation, the school has special classrooms called "Maker Spaces" for STEAM (science, technology, engineering, arts, mathematics), and a space for nutrition and cooking classes that can be used by the community. As our tour guide explained, this type of school is a win-win for everyone involved: Concordia and Faubion students, parents, families, and the community. It was a fascinating tour and it will be interesting to see if this latest educational innovation spreads to other districts.
