

THE NEW OREGON TRAIL

Mission: *The Society promotes professional and personal growth of women educators and excellence in education.*

Vision: *Leading women educators, impacting education worldwide.*

Vol. 47, No. 4

Winter Edition

January 15, 2023

Mark your calendars today! Set aside dollars for registration and lodging! Spiff up your convention clothes!

The Oregon State Organization 2023 Convention is coming soon.

- When?** April 28-30, 2023
Friday afternoon and evening through Sunday noon.
- Where?** Independence, Oregon (just outside Salem 10 miles +/- to the west)
Independence Hotel, 201 Osprey Lane
- Who?** You! And invite your colleagues to come along.
- What?** Delectable dining. Lovely setting. Keynote speaker(s). Bountiful baskets to win. Workshops. Gifts and goodies for you and your family/friends from the Unique Boutique. Election and installation of state officers and committees. Friends to greet. New friends to meet.
- Why?** Inspiration. Education. Networking. Laughter. Fun and food. Recognition. Remembrance.
- How?** Easiest by car, but you could fly to Salem and drive from there. Salem has a train station, so that's an option. Come with friends and plan what your chapter will do for 2023-24 as you travel to and from Independence.

Details and forms will be in the February 25th edition of *The New Oregon Trail*, and we'll try to keep the website coordinated so you can do things online. Two forms are included here. See pages 3-4.

REGISTER NOW FOR CONVENTION!

Online: Go to <https://theindependencehotel.com/> Click the white **BOOK NOW** tab at the top right corner of the website. Insert your information into the pop up box, then click the bar for **SEARCH FOR AVAILABILITY**. Select your room.

OR Call 503-837-0200 and ask for the OSO State Convention rate.

Our code is **DKG23** for the promo code box.

The dates are April 28 (check in) through April 30 (check out).

Double Queens: \$169 per night.

DKG has a block of rooms reserved for members and guests. Each room reserved helps us to discount the cost of meeting rooms and use of the facilities. We count on our members to help us "Rock the Block" in 2023.

**2021-23 PRESIDENT
Brenda Jensen / Alpha 2**

Happy 2023!

You know, I was looking in the rearview mirror at my 2022 year. With heartaches (losing my 97-year-old father), my happy moments (cruising through Alaska), a move to a new house, and my successes, I have accomplished much and have had a productive year.

Now is the time to look forward to 2023: another cruise, the work that needs to be done, and the downhill slope of my bien-nium. This is the time for **each of us** to consider “What can we do?” for DKG International, our own Oregon State Organization, and/or our own chapters.

We are all leaders, and we all qualify for international offices and committees. The same goes for our state organization! 2023 will see a change in the state’s leadership, so this is the time to speak up, stand up, and get involved in leadership roles. It doesn’t need to be an office but can include joining a committee. If not the state, then remember that your chapter always needs leaders. Help your current officers and committee chairs and stand behind them to make the decisions that best meet your chapter’s needs and help it grow stronger.

As Oregon State Organization President, I have really grasped the feeling of sisterhood. Despite all our differences, we all see the need to serve our communities, schools, and our fellow men and women in education and beyond.

Have a great year! I appreciate each one of you for your service and friendship.

Brenda Jensen

JOIN THE GALA ART EVENT: THE ARTSY TRIFECTA

A fun project, resulting in a gala art event is being planned for our OSO/ DKG Spring Convention.

Introducing the “**Artsy Trifecta**”: This first communication is an invitation for our DKG artists and friends . . . We are looking for volunteer artists to add their creative touches via paintings or mixed media collages. It doesn't matter if you are a shy hobbyist or a professional artist, everyone can participate.

This collaborative art project will involve three different artists working on separate thirds of one canvas that will be passed around the state. They will not see what the other collaborators have done and will not know who they were teamed with until the unveiling event on Friday, April 28, at convention.

1. The **first** artist will start at the top with a “head.” When finished, that section will be covered with only two inches showing for the second artist to see. With our committee's help, each canvas will be passed on to the next artist.
2. The **second** artist will add the “torso” to our imaginary character. Likewise, when the second section is painted, it will all be covered again, except for the lower two inches for the third artist to see.
3. The **third** artist will finish the canvas with a representation of the “feet.’

The “head, torso and feet” are vague suggestions. Your artwork can represent a human, animal, botanical, robot, or an imaginary figure! We are encouraging experimentation. As artists, you will be creating and probing the nature of collaboration, partnership, and unfettered artistic genius! It is meant to be fun!

Artists: Jayden Emery, Adina Barugalo, Cori Emery

Credits to Exquisite Corpse Project/ Parksville, B.C. Canada

You may have done this activity with your students or may remember doing this as a child on folded paper. There is a history about this process: In 1925, Surrealist artists in Paris played the game [Exquisite Corpse](#) to stimulate creativity through collaboration. Players would contribute to a drawing of a figure without seeing what the others had done. Like a game of Telephone where words got jumbled, the images became stranger and more imaginative with each player's addition.

We are calling our project the “**The Artsy Trifecta**.” We have canvasses ready for the first volunteers to begin! Please contact **Dana Murphy** (mudspud1@gmail.com or 503-308-3477) for more information and to join in this collaborative project.

US FORUM IDENTIFIES ISSUES

The purpose of the US Forum is to address significant issues affecting women, children, and education upon which our US DKG members may take action. During the 2022-2024 biennium, the primary focus of the Forum is the mental health resolution: **Recognizing Mental Health Issues for Educational Staff and Providing Support Services.** This resolution was initiated by the Washington State Organization and was adopted at the US Forum Session at the 2022 International Conference in New Orleans.

The key components addressed in the resolution are:

1. **To educate members on the issues and needs related to mental health for educational staff** through study, workshops, and other avenues
2. **To inform members of current legislation related to mental health services for educators** so that they may take appropriate actions including to initiate, endorse and support desirable legislation
3. **To promote de-stigmatization of mental illness** through dissemination of information on successful school-based treatment programs, supports and other resources
4. **To engage in a wide range of activities that demonstrate emotional support** for educators

Other issues for the biennium were determined by a survey sent to our US members last fall. 2754 members from all four US regions completed the on-line survey. Rising to the top of member concerns were the following:

- Safety from Gun Violence in Schools and Communities
- Poverty/Homelessness/Food Insecurity
- Working Conditions/Recruitment and Retention of Staff
- Censorship of Speech/Material/Books
- Bullying and Cyberbullying
- Social Media and Its Impacts on Mental Health

The mission of the US Forum is to serve the interests and concerns of its members through sharing ideas and exploring solutions to the specific issues identified by its members. All members residing in the United States are members of the US Forum. **Take action and get involved!** Make plans to join upcoming Forum webinars and a Forum Session at one of the International Conferences this summer! Save the date and attend the National Legislative Seminar in Washington, DC, area March 10-13, 2024!

Did you know?

The Forum offers webinars and other training opportunities. Check their webpages for details and items of particular interest to you and your chapter.

LAMBDA MEMBER WINS IN BEST TEACHER CATEGORY

Submitted by Christine Luehring

This was posted on the Eugene Schools, Dst. 4J,
Facebook page.

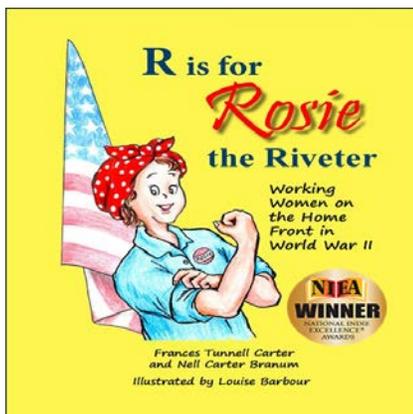

Congratulations to Clair Wiles—second place winner in *Eugene Weekly's* Best of Eugene / Best Teacher category! Clair teaches social studies and AVID at North Eugene High School. Comments from students and friends follow.

- **Anthony Grossnicklaus:** Congrats, Clair!!! But you deserved first. I have never met a more giving educator. You give to your students, your country, and at home. You truly are special. Keep up the good work.
- **Alexis Foster:** Truly the best teacher ever. I'm unsure if she remembers me but I'll never forget her. My freshmen or sophomore year she told our entire class she was setting us all up for success— so that we didn't have to ever go down the street (at the time) to the Aaron's rent to own furniture store and pay 5x the amount for something over the time due to the interest/payments. It'll never leave my brain. She was a wonderful teacher. Very kind, caring but also stern and to the point. She truly cares about her students and wants nothing but the best for them and for them to set themselves up to live a comfortable life. She deserves this!
- **Amanda Harris:** Wow! She was my social studies teacher 15 years ago. She had gone over seas (serving in Iraq) during my time there. She was also the one who assigned me the first book I fell in love with *Night* by Elie Wiesel.

ARF GRANT SUPPORTS LITERACY & HISTORY PROJECT

The Pilcrow Foundation, run by Dr. Karren Timmermans, Lambda Co-President, will use the funds to purchase hardcover copies of *R is for Rosie*. The Rosies, who supported the World War II effort, are aging, and it is important for their legacy and work to be a part of children's literacy. Who did industrial jobs when the men were at war around the world? Women did. Long before "STEM" became part of educational jargon, thousands of able women work in skilled positions in construction and welding and, of course, riveting. Known as "Rosie the Riveters," these women were vital to the war effort.

These books will be 'bonus' books for the rural public libraries and become a part of each library's permanent collection. Each book will have a bookplate and include a line acknowledging the Alpha Rho Foundation.

As Dr. Timmermanns wrote: "I am requesting \$1,000. At the retail price, this will allow me to purchase 50 books to send to libraries across the country. I will contact the publisher for a bulk purchase discount. If a discount is offered, I will purchase up to \$1,000 worth of books. In my report to ARF upon conclusion of the grant, I will include details about libraries that received the books and how many were distributed. I expect the project this grant will fund to conclude by June 2023."

CHI MEMBER HEADED TO FINLAND!

The final 2022 scholarship was awarded to **Jo Strom Lane**,

Chi, for her planned attendance at the International Conference in Tampere, Finland, this July. She received \$2,500 from the Personal En-

richment Commemorative Fund. Jo teaches theater arts at Roosevelt High School in Portland and has been an active member of Chi Chapter since 2017. In 2001, she organized some of her high school students to provide entertainment for the International Conference in Portland. She continues to take an active role in programs and leadership in Chi Chapter.

Jo explained clearly what she hopes to gain from this trip: “The Finnish school system is one of the most revered in the world. I’ve longed to travel to Finland for decades, visit at least one school, and absorb knowledge about the approach to education that has transformed the country and impacted the world. I have so many questions to ask!

- In what ways has Finland invested in education unprecedented in other countries?
- How has the framework impacted other facets of Finnish life?
- What lessons have been learned?
- What unintended consequences have surfaced in the years of implementation?
- How have the arts, in particular theatre, played a role in this transformation?”

She pointed out, “This DKG conference takes place in one of the incredible cultural gems of Finland, the city

of Tampere. I can’t imagine a better opportunity to learn about, experience, and immerse myself in educational change than in Finland, and this conference provides the perfect opportunity. To witness the scale in which Finland created an intentional educational revolution would be remarkable and I would savor every moment.” Jo has “. . . already made contact with several individuals who live and work in Finland, so that I might secure additional time outside of the conference to meet with educators in the area both in an urban setting (Tampere) and rural setting (Esse).”

How will Jo use this experience? “It is my hope that what I learn will empower me, and I can apply this knowledge within my school district where I sit on the Curriculum Adoption Committee, Master of Arts Education Planning Committee, and work with both school and district levels, hoping to influence change for the benefit of students. And, of course, I plan to use my new knowledge in my own theatre arts classroom!”

BETA BETA ANNOUNCES NEILSEN SCHOLARSHIP RECIPIENTS

At the January 9, 2023, meeting, the Beta Beta Educational Foundation announced recipients of the Margaret Nielsen Financial awards:

Karli Bedard from EOU (Eastern Oregon University) received an award of \$2,000. She is majoring in Multidisciplinary Studies with a minor in ESOL and, after graduation, plans to earn a master’s degree in Elementary Education.

Isabelle (Izzy) Rice, a senior from the University of Oregon, received an award of \$2,000. She enrolled in the UOTeach program and will complete her bachelor’s and master’s degrees there.

Continued on next page >>

Lindsey Smith, a student at Lewis and Clark College, received an award of \$2,000. As valedictorian from Crescent Valley High School in Corvallis, she received a scholarship to Macalester College in St. Paul, Minnesota, where she focused on global citizenship, and enjoyed a semester in Granada, Spain, and grew immensely as a critical thinker, writer, and leader.

Cambree Scott, a senior from Eastern Oregon University, also received an award of \$1,500. She is a dual major in Multidisciplinary Studies in Early Childhood Education and has completed coursework for the ESOL (English to Speakers of Other Languages) certificate. She will finish her Master of Arts in Teaching (MAT) program at Eastern Oregon University and plans to graduate in spring 2023.

Paulette Bohan, a junior at Linfield College, received an award of \$1,500. She will graduate in May 2023 with an initial teaching license and a B.S. in Mathematics and Secondary Education. Paulette is a first-generation college student whose parents immigrated from Guatemala to Corvallis.

From International DKG

Here's an opportunity to share your artistic skills with viewers around the world.

Next deadline: February 15, 2023.

Consider submitting YOUR work this year.

CHAPTER CHATTER

District 1

Zeta (Union County): The past few months have been a time of joy and of sorrow for Zeta Chapter.

Dana Musgrove hold the many string that show connections made by CASA kids. The wall decorations are from members Monica Boucher's 5th Grade class.

We have had some terrific programs. These include Sharon Hohstadt sharing some Zeta Chapter history and a delightful visit by OSO President Brenda Jensen. We had an interactive program presented by CASA (Court Appointed Special Advocates for children) showing what connections a child in crisis might make and how easily they can be or are broken. In December, a local family came to our meeting and sang Christmas carols. We all participated in singing "The Twelve Days of Christmas." Members donated items used to make Christmas baskets to an assisted living facility as part of a community service project.

Sorrow came from the loss of two long-time DKG members, Nancy

Garrett and Karen Spencer. In addition, the husband of a Zeta member passed away.

Recruitment, especially of younger women is one of Zeta's areas of revitalization. We anticipate inducting four new members in February. Two of these are collegiate members and two are experienced teachers. Zeta is looking forward to a "revitalizing" 2023!

Iota (Umatilla & Morrow Cos.):

Pictured above. Karen Spencer (née Kerr), MEd., was born on November 13, 1945, in Medford, Oregon, graduating from Oregon State University in 1967 in Education. She preferred 1st grade (Bend, 23 years) and later served as a Youth Development consultant for the Oregon Dept. of Education. Joined Sigma 1980, Beta Theta (President), Signa, then Zeta in 2021. OR Exapnsison comm. OR Leadership Comm, OR Nominations Comm Karen was a gifted teacher, well-loved by her students, families, and colleagues.

District 2

Alpha (Klamath Co.): In September, Jennifer Cole, an Alpha member, discussed mentoring new teachers within the Klamath County School District. October celebrations for Halloween were at Brenda Jensen's new home, and in November, Alpha celebrated its 81st birthday with cupcakes.

In December, Judy Brimmer hosted our Christmas energizer in her beautiful home. With a good breakfast in our tummies, we certainly energized ourselves with expert dance instructors. They danced us through various

country style dances. Hee Haw!

Omega (Josephine/Jackson Cos.):

OMEGA LEARNS ABOUT LOCAL FOUNDATION

The Redwood Foundation for Education (RFE) provides scholarships and grants to students in schools throughout Southern Oregon. Awards are based on demonstrated leadership, co-curricular activities, academics, and need. They are funded by donations from individuals, businesses, service clubs, and school alumni. Students from Josephine, Jackson, and Douglas Counties are within the service area. Omega members were interested in what services are provided to students and what area was served.

Sylvia Marr (photo above), RFE administrative assistant from Grants Pass, presented to Omega at our Nov. 15, meeting. Founded in 1964 as the "Josephine County Educational Fund, Inc. (JCEF)," after more than five decades of growth, JCEF changed its name this year to better recognize its expanded service area and scope. Today, the newly named Redwood Foundation for Education manages 250 individual funds and more than \$8 million in assets. In

2020, they awarded \$574,050 in scholarships, \$86,000 in grants and invested \$37,000 in projects throughout Josephine County and Southern Oregon.

District 3

Lambda (Lane Co.): See our article under **Recognizing Members, page 10,**

Fifteen Lambda members celebrated the winter holidays together by having a party with several games on Dec. 10. It was organized by Cecelia Brands at Camelot Village. Fun and fellowship were the goals for the day. Cecelia came up with a variety of activities that inspired participation by all in attendance.

Jodi Emmons, Bev Emmons, and Guadalupe Jones wait for instructions for the next game at the holiday party.

Clair Wiles, Karren Timmermans, and Marj Maxwell listen as Cecelia Brands explains one of the games.

Members donated clothing, blankets, personal hygiene items, gift cards (for prescriptions), and more for Ho-sea Youth Services (HYS) in Eugene. HYS seeks to provide a safe place to meet basic needs of homeless and at-risk youth ages 16 - 24 and offers hope, friendship, referral services,

encouragement, some financial support, and spiritual encouragement for those interested.

Our January Zoom program will feature Ben Brock, Programs & Communications Director for *TransPonder*, a nonprofit organization in Eugene which provides support, resources, and education for the trans-gender-diverse community and allies. We will learn about their mission, programs, resources, and demographics. Basic terminology and definitions, language usage and overall awareness will help us be supportive of our trans and other LGBTQAI2+ identifying students and colleagues.

February we meet in person again, with a program about *Scams, Identity Theft, and Fraud*. Steven Chambers from the Eugene Police Department's Community Engagement Team will speak. He will give us direction on how to prevent being victims of these crimes. Residents of Camelot Village (where we will meet) will be invited to join us for this program.

Sigma (Bend, Redmond, Central Oregon): In December, Sigma members activated their creative side. Laurie Sensibaugh brought a variety of rocks. Members selected their favorite size and shape, then added holiday-oriented designs.

District 5

Alpha Epsilon (Salem area): November was fun! We met at Salem for Refugees to tour their new facility, meet new staff, and hear a presentation on how this group coordinates with others to help the official (government-determined) refugees who

are assigned to this area. In case you are unaware, Salem has a large Slavic population, so many fleeing the chaos in Ukraine find sponsors and friends here. Our chapter is deciding the level of support and participation we can provide to our newest residents.

Our Dolly Parton Imagination Library project in cooperation with the Marion/Polk Early Learning Hub has 867 students registered (1/2/23) out of an anticipated 900 goal by August. Think we might make that goal

In literacy news, Salem Health's Neonatal Intensive Care Unit sent a lovely thank you for our contribution of 70+ books that parents can read to their babies. Research has shown that reading to a child while holding the child on the parent's chest will help to make up for not hearing the parent's voice during the last trimester before birth—and it also assists with parent-child bonding.

Chapter members are also donating books to the third-grade class of an early-career educator at Yoshikai Elementary. Our first contributions were gathered at the Christmas dinner. Our goal is 70 books suitable for a variety of reading levels within the third-grade class. The new literacy project is in honor of Mary Lynn Morgan, a former member who died last summer at age 70.

Psi (Hillsboro, Beaverton & Washington Co.): Psi is starting 2023 by preparing for our first meet & greet with working educators. On January 21 from 9:30-11:30 we will host a brunch for active teachers, chapter presidents and state officers. *A Time for You* is designed to recognize the *burnout* our teachers are experiencing and provide a relaxing morning of food and fun, while making connections with potential candidates. Three local schools have been invited (seats are limited). Our guest speaker is Darolyn Wiley from Villages Without Walls. She will present on *Empowering Independence as We Age in our Homes*. It centers on how families can join and /or volunteer to help adults age in their homes and give support to families to reduce stress while enriching lives of aging loved ones. Door

prizes and make & take foot scrubs will add to the fun.

Chapter presidents who wish to reserve a seat, please email judyforsberg@yahoo.com Co-President Judy Forsberg.

Psi is plans to send the new DKG postcards to candidates this month. We thank all who contributed to the design and information to put the highlights of our Society, all the great benefits, and work we do right at our fingertips for easy reference.

Please circle Saturday, March 4, 2023, on your calendars! The annual *Taste of Tanzania* will be held at the Spirit of Grace Community Center in Beaverton, Oregon.. **See the flyer on page 12 with all the details!**

Beta Beta (Tigard/Tualatin/Sherwood): See articles, pages 11-12 and page 18.

District 6

Chi (Clackamas): Chi Chapter celebrated the holiday season with their annual dinner/donation event. Members brought cookies and assembled seven gift boxes of cookies for those members who were not able to attend. Cards were also sent. The food was good, and the sharing of a family tradition caused us to realize what diversity there was during our growing up years.

A true highlight of the evening's events was the gathering of the donations for the Wichita Family Center. Wichita is an old school that was converted into a family center. It is open to any family with students enrolled in the North Clackamas School District who need services of about any description. Chi gathered winter coats, personal hygiene items and cash which were delivered to the center. It was truly a time of sharing and fellowship.

Hi from Chi Chapter!

Beta Gamma's OKTOBER FEST Participants (below)

Beta Gamma (Canby/Molalla): Beta Gamma Chapter met October 20th at the beautiful home of Sharon Schneider. The menu was "Oktoberfest" with sausages (both chicken and regular bratwurst), Ardeth's crockpot sauerkraut, Sharon's German potato salad, Doris' homemade schnitzel, plus delicious sides of salads and desserts .

A special presenter visited us – Martha Washington (aka Kay Huston) who shared the history of George and Martha Washington. Very interesting...

George was a tall man—6-foot-plus, and it was a prearranged marriage after the death of Martha's first husband.

We had an interesting and short meeting. We welcomed some special guests: State President, Brenda Jensen, State Vice President, Bonita Fillmore, plus immediate Past State President, Darlene Cook, along with ten Beta Gamma sisters. It was a lovely fall meeting enjoyed by all! Uff Da!!!

Alpha Pi (Clackamas Co.): In October, our Scholarship Support Committee planned our first in-home meeting since 2020 at Theresa Taylor’s beautiful home where we gathered to renew our friendships and celebrate being together again in person! Again, each of us we took time to “catch up” as well as discuss how we are supporting the two active teachers and a superintendent in our chapter. We voted to give each one money to go toward their classrooms and teaching materials/books/special projects. Theresa, who volunteered again to be our trusted treasurer for the next two years, made these funds possible, on behalf of her aunt (a DKG member), who designated money from her will to go to our scholarship fund.

Another way we have been supporting our active teachers and superintendent (Tracy, Sandy, Cathy) is to deliver “treat baskets” three or four times a year to them at their respective schools. Sue Swanson, chairperson of the Membership Committee, has volunteered yet another year to do these deliveries, and our working members have been delighted and grateful for these surprise treats and the support!

Our next meeting, planned by our Education Support Committee, will be in late January, when we’ll meet at The Spaghetti Factory for dinner. In advance, we have been asked to think of a memorable teaching experience/moment to share with our fellow-members at this gathering. Between us all, we ought to have some interesting and humorous stories to tell!!! Our Global Support and Arts and Creativity committees are planning programs for our spring meetings.

District 5

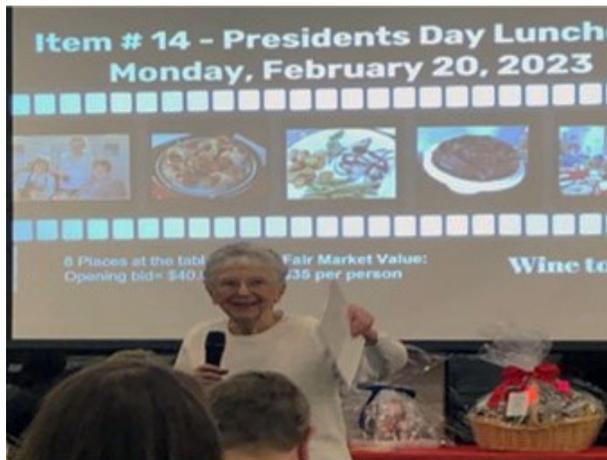

continued from previous page

Beta Beta (Tigard/Tualatin/Sherwood):

FILLING LOCAL NEEDS

In November, Beta Beta Chapter held their annual auctions—silent and oral. Thanks to overwhelming chapter and

community support ,the chapter was able to raise \$7,500 to put back into our local schools. Nancy Lewis (below) served as our auctioneer and co-hosted the luncheon.

Auction committee chair Barb Becker (right) kept bid data in order.

In December we held our yearly lasagna dinner fundraiser combined with “charity bingo” to collect food and personal hygiene items for Bethlehem House of Bread (BHOB). It was a deliciously fun evening, playing bingo with the donated items. Our sister elves ran around handing out candy canes to the Bingo winners. We packed the BHOB truck with our donations! Our holiday festivities continued with the Bartniks’ Christmas Open House.

They decorate their home, with every room decorated to perfection, then open their doors to the public for donations to Beta Beta. This year they raised \$2,980 for Beta Beta. Over the eight years that the Bartniks have been holding their open house, they have raised a total of \$16,000! A giant

Auction in action!

Beta Beta **“Thank you!!”** to Sandy and Wayne Bartnik!
